

Regulations

Is Coro on the New York State Office of General Services (NYS OGS) approved list?

No, Coro is not on the New York State Office of General Services (NYS OGS) approved list

Is Coro FERPA (Family Educational Rights and Privacy Act) compliant?

FERPA is a regulation that schools are required to comply with, not Coro. FERPA governs how schools handle personal information, including obtaining parental consent.

For more information, see [FERPA](#).

Does the Coro platform meet Criminal Justice Information Services (CJIS) requirements?

The Coro platform supports the following technical safeguards required by CJIS:

- Business email compromise (BEC).
- Email account takeover.
- Data Loss Prevention (DLP) on outgoing/incoming email.
- Anti-virus (AV).
- Advanced Threat Protection (ATP) (Next-Generation Antivirus (NGAV)).
- Device security posture.
- Data recovery.
- Data Distribution Governance (DDM) and Role management.
- Security and business-specific data monitoring.
- Personally Identifiable Information (PII) monitoring.

For more information, see [CJIS](#).

Is Coro CMMC compliant?

Unlike CMMC certification, CMMC compliance is not a well-defined concept. Companies that want to do business with the Department of Defense (DoD) must obtain CMMC certification from an accredited third-party organization, which verifies
