

# Connect Your Box Account to Coro

## Stage 1: Creating Application

1. To create a new application, sign into your Box developer console:

[https://account.box.com/login?redirect\\_url=%2Fdevelopers%2Fconsole](https://account.box.com/login?redirect_url=%2Fdevelopers%2Fconsole)

2. In **My Apps**, select **Create New App**:

3. Choose **Custom App** and click **Next**
