Connecting and disconnecting your Box account

This article describes how to connect your Box account for Coro protection.

Prerequisites

Before you begin, make sure you have the following prerequisites:

- A minimum subscription of Box "Enterprise"

- Full administrator access for your Box subscription

Connecting to Coro

To connect your Box account for Coro protection:

1. **Create a new app in Box**

2. **Connect your Box app to Coro**

Creating a new app in Box

Use this process to create a new application for Coro in the Box developer console.

Perform the following steps:

1. Sign into your Box developer console:

   https://account.box.com/login?redirect_url=%2Fdevelopers%2Fconsole

2. In **My Apps**, select **Create New App**:
